Nurses Day at the Legislature	Feb. 9 th & 10 th There will not be a chili feed this year b/c the event was attended primarily by students in the past who weren't always able to represent the Nursing Profession yet as they were still learning. Booths will be placed in the rotunda this year, staffed by members of various professional organizations who can speak to the priorities/agenda of the organization more effectively with the legislators.	Plan now to attend Nurses Day at the Legislature on Feb. 9 th & 10 th .	
Pending Legislation	<ul style="list-style-type: none"> Diabetes Care – a bill that spoke to non-nurses being able to administer insulin and other diabetic 	SDNA and the School Nurses are opposed to this bill	

	<p>meds when nurses aren't available at schools is expected to be introduced again</p> <ul style="list-style-type: none"> • Smoking ban in ALL public places – discussed at SDNA Dessert with the legislators. Approx. ½ were in favor and the others opposed. • Long-term Care Moratorium – wanting to expand nursing homes is expected to be brought up 	<p>With the economy depressed it is unlikely that this will pass, it is more likely that an effort to expand home care services will be supported.</p>	
Next Meeting	<p>March 6th – Dessert on a Friday afternoon</p> <p>Nancy asked for suggestions for speakers/topics</p>	<p>The members felt that maybe a later meeting starting after 1600 might be easier for others to attend.</p> <p>“Quick Healthy Meals”, “Traveling Meal – from home to home” were suggested. If you have other ideas please send them to Deb Colson</p>	
Future Meetings	<p>June 2009, date TBD with SDAHO Convention on Sept. 23-25</p>
